### About

I recently completed a part-time Code Immersion Boot camp at Tech Talent South code school. I regularly attend developer meet ups including Dallas Ruby Brigade, iOS Development, and Tech Talent South hosted events. As I strive to further my skills and take on my journey in the tech field as a developer, I have 5+ years of experience in customer service, 2+ years in logistics, and 6+ years of experience in the technology field building/diagnosing/fixing computers.

### Experience

#### **Part time Student/ Teaching Assistant, Tech Talent South, Dallas, TX — 2018**

- Helped students understand the material that the class was going over during the 8 week coding program as well as help the instructor test the other students on their knowledge as well as help troubleshoot their homework and projects.

#### **Clicklist Associate, Kroger, Bartonville, TX — 2017- 2018**

- Greeted customers when they arrive to pick up their items as well as help load items into customers cars.
- Resolved Issues with unsatisfied customers while maintain excellent customer service to those in need of a helping hand.
- Trained new employees on opening and closing procedures that must be followed when opening or closing the department.

#### **Logistics Lead, Academy Sports & Outdoors; Plano, TX — 2015 - 2017**

- Help train new employees as well as conduct daily schedule/Task for each employee.
- Unload truck then sort and set new planograms for the week.
- Perform daily stock and outs report while given excellent customer service on the sales floor.
